Service Portland, Oregon office.

.DISCUSSION...

Cold air mass east of the Cascades will drive easterly winds
through the Columbia Gorge today through Tuesday. Mix of sun and
clouds, with more clouds than sunshine. But, it will remain dry.
Next chance of precipitation will not be until Wednesday, when
will have scattered snow showers with light accumulations at that
time. Afterwards, occasional showers remain on tap for rest of
the week, but snow levels will stay at or above 500 feet.

.TODAY...
